- **Saturday & Sunday only: Epworth Eastern Private Hospital Car Park** (access from Arnold Street) – This is not guaranteed – However, on weekends, usually paid spaces are possible.
- The parking fee is almost identical in the two car parks (roughly 20 – 30 \$ / day)
- Accept **Ticket** on driving in and please pay at the “Pay Station” before returning to your car

Paid Car Parking – Open Air – Box Hill Institute (formerly TAFE)

- Please see Map 2 above – Flat rate of 2 \$ / day but open air !
- Enter through (a) Poplar Street or (b) end of Spring Street
- You should display **both** the **Ticket** coughed by the machine on paying 2 \$ **and** the **special ACM Coupon** e-mailed to you (available at Registration desk too)

Achtung:

Course registrants are advised **NOT** to park in the on-street parking slots if they are controlled by parking meters, as these meters are ravenous and have to be topped up periodically.

Public Transport

- Please note that the course venue, Eastern Health HQ on 5 Arnold Street, is only a short walk from the Box Hill Railway station (*Lilydale – Belgrave Line*) & *Box Hill Central* Bus Station and an even shorter walk from the *Box Hill Central* tram terminus.
- International and Interstate registrants are advised, when they choose accommodation, to prefer transport convenience to geographical proximity (i.e. it may be beneficial to stay in the surrounding suburbs, rather than in Box Hill, provided you have suitable tram or rail link).
- Please be advised of the reduced frequency of Public Transport services on weekends
- Public Transport information: www.metlinkmelbourne.com.au

The conveners accept **no** responsibility for your parking, transport or accommodation issues
Parking is scarce like in any other “A” class city – We regret the inconvenience
