

OVERWEIGHT?

Find out if enrolling in our study is right for you

Eastern Health (Box Hill Hospital) is looking for volunteers to take part in a new study for an investigational treatment which is being studied to see if it helps with weight loss

To take part you must:

- Be aged 18 to 75 years old
- Be overweight (men over 80kg and women over 70kg)
- Have attempted to lose weight without success
- Not have diabetes
- Be in generally good health

Participants will:

- Receive the study drug or placebo during the 46 week treatment period
- Attend appointments to see our Doctor
- Be reimbursed for reasonable study related travel costs

**For more information and to see if you may be eligible,
