Totally Tobacco-Free

Eastern Health is totally tobacco-free. Smoking is prohibited within 4 metres of entrances to all Victorian public hospitals and registered community health services, and is not allowed in the buildings or on the grounds of any of our sites, including walkways, entrances and car parks (Tobacco Act 1987).

Television, movies, phone and internet facilities via the Patient Entertainment System

Most patients coming to Box Hill Hospital will have the option of using the Patient Entertainment System which provides television, radio, movie channels, local telephone services and internet access via a touch screen at the bedside. These facilities are also available in a number of languages other than English. Charges apply* for the use of the Patient Entertainment System in accordance with similar facilities offered at other public hospitals. Payment can be made by entering credit or debit card details directly on the touch screen system. Patients are also able to make food selections on the touch screen – this facility is free of charge. Patients are advised to bring their own headphones to use in hospital or they can be purchased from the Zouki cafeteria on Level 1 in Building B. (*Some exclusions apply – please ask your nurse for details.)

Your choice to be a public or private patient

During admission to hospital, you will be asked if you have private health insurance and if you wish to use it. If you choose to be admitted as a private patient using your private health insurance, you will not incur expenses from our service and we will manage your private health insurance claim directly with your health fund and Medicare. It is important that you are aware that medical attention and hospital accommodation is determined by medical need and not by public or private health insurance status.

How can I say thank you?

The support and generosity of patients, past and present and their families and friends, helps us to provide additional care for patients. It helps us to purchase extra patient care equipment, support research, and to develop innovative programs which help our patients to receive the highest level of care and comfort available. Donations can be made at the cashier's desk (main entrance) or by contacting the Eastern Health Foundation on 9895 4992.

Protecting Your Privacy

Eastern Health is committed to protecting your privacy. We will keep your personal information secure and will disclose information about you only when required or permitted by law. We comply with relevant information and privacy legislation. If you would like more information, please ask a staff member or visit our Web site
