

HMO2 rotations at Eastern Health

(NB subject to change)

In 2021 Eastern Health employed over 150 HMO's in HMO2 or HMO3 positions. As an HMO2 you may have the opportunity to rotate through Eastern Health sites of Box Hill Hospital, Maroondah Hospital, Angliss Hospital, Wantirna Health and Peter James Centre.

Applications for 2022 HMO2 positions must be made to BOTH Eastern Health AND the PMCV.

For 2021 HMO2 positions, your rotation preferences are required ONLY AFTER your appointment to Eastern Health.

Rotations which were available in 2021 include:
