## Hospital redevelopment update

Eastern Health is seeking community involvement in the search for historic photographs of Healesville & District Hospital and the Healesville district. Photos are being collected throughout the duration of the redevelopment, in the hope of finding a suitable image for display in the hospital's new foyer.

"Healesville & District Hospital is close to the hearts of many in the community. This is a great way to share your memories and celebrate a new era in the history of the health service," Tanya Hendry, Eastern Health's Manager of Consumer Participation and Patient Experience said.

A \$7.8 million redevelopment of Healesville & District Hospital and Yarra Valley Community Health is currently in the planning stage, with building tenders due to close soon. Eastern Health has organised a number of information stalls at local community markets to provide updates on the project's progress.

Location	Date	Time
Hoddles Creek Primary School – 700 Gembrook-Launching Place Road, Hoddles Creek	February 5	3.30pm – 5pm
