HITH Home Visiting Catchment Area refer as usual

Patients who resided in these areas require a conversation with the HITH Intake Coordinators on your site to discuss if HITH has capacity to provide a home visit or if a combination of HITH Clinic visits & Home visits are required.

If Patients are located in any unmarked areas, please speak with the HITH Intake Coordinator on your site who will assist you with referring the patient to a HITH service that provides home visiting in the patient's area.
