EASTERN HEALTH – HEALTHIER TOGETHER

Eastern Health is one of Melbourne's largest metropolitan public health services. We provide a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs

Our promise

Healthier together

1. POSITION PURPOSE

Eastern Health's Women's Health Clinic provide comprehensive, multidisciplinary care for women. These clinics align with the Victorian Government's initiative to expand free women's health clinics across Victoria, ensuring equitable access to care. We are expanding to cater to chronic pelvic pain, menopause, PMS with a multidisciplinary approach which focuses on improving a person's mental and physical well-being. With this recognition, we aim to serve patients by the development of an adequately resourced, patient-centred multi-disciplinary care model that provides timely access to high-quality assessment and management that is personalised to the patient's needs. Our Women's Health clinic is a collaboration between generalist, gynaecology, urology, general /colo-rectal surgery, gastroenterology, medical imaging, pain management and allied health offering a 'one stop shop' to women with gynecological issues ..

- This position involves conducting health assessments, diagnosing and treating medical conditions, along with a dedicated team of GP, psychologist, physiotherapist, social worker and Clinical Nurse Practitioner in a supportive environment. This includes managing chronic pelvic pain, with medical and surgical interventions and behavioural input, organising and participating in group sessions with aim to improve the quality of life for the women.
- To provide excellent clinical care for his/her patients.

The clinics offer:

- General Practice Services: Women's health consultations, sexual health, contraception, menopause management, cervical screening, and general health checks.
- Allied Health Services: Physiotherapy, dietetics, psychology, and social work.
- Gynaecological Services: Specialist care, including assessment and management of gynaecological conditions.

Clinics will operate during business hour

2. MAJOR DUTIES AND/OR RESPONSIBILITIES

2.1 Provision of good clinical care

- Providing skilled health assessment, diagnosis and treatment services to patients.
- Ordering diagnostic tests as needed, checking and informing patients of results as per clinic's procedures.
- Referring patients appropriately to other providers if their needs exceed the range of care able to be provided.
- Consulting and collaborating with colleagues to provide optimal care.
- Documenting all care provided and education/information given to patients within their health record, as per clinic's procedure

2.2 Maintaining a good medical practice

- Maintaining professional knowledge and standards through continuing medical education and personal professional development.
- Having a working knowledge of legislation and standards of General Practice.
- Maintaining a current resuscitation certificate.

- Practicing medicine in a way that reflects Eastern Health's values and mission.

2.3 Maintaining Trust (Professional relationships with patients)

- Providing services courteously and respectfully, with regard to the cultural beliefs and needs of patients.
- Responding openly and following up complaints or feedback.

2.4 Working collaboratively with colleagues

- Collaborating in regard to rosters and providing cover to ensure patients' needs are met.
- Working constructively and harmoniously with all staff to ensure patients receive optimal care.
- Involvement in practice accreditation activities.
- Participating in centre-based audits and activities.
- Collaborate with the wider Community Health services and staff to deliver patient-centred and coordinated care.

2.5 Maintaining integrity in professional practice

- Charging for consultations in line with the clinic's policy.
- Declaring any vested interests in services that may be referred to.
- Returning phone calls in timely manner.
- Completing documents i.e. medical reports in a timely manner.
- Clearing in-tray daily and delegating this task if absent.
- Demonstrating a working knowledge of the organisation's policies and procedures.
- Reporting events or untoward incidents as per professional standards and organisational policy.
- Using the computer effectively e.g. data input.
- Keeping up-to-date with new item numbers, SIPs and incentive payments.
- Ensuring immunisation status is kept up to date.

2.6 Develop Relationships with:

- Practice staff including doctors, nursing and administration.
- The wider Community Health teams – Family, Health and Ageing, Counselling and Primary Care teams.
- Other Eastern Health services e.g. pathology, radiology and hospitals.
- External health care and social services providers.

3. SAFE PRACTICE AND ENVIRONMENT

Occupational Health and Safety

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, in particular those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensation (WIRC) Act 2013

4. TRAINING AND DEVELOPMENT

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem-solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

5. QUALITY

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centered care

6. CONFIDENTIALITY

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

7. EQUAL EMPLOYMENT OPPORTUNITY

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

8. PERFORMANCE DEVELOPMENT

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

9. EASTERN HEALTH'S PROMISE

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.

10. ATTACHMENTS

- Attachment 1 Key Selection Criteria
- Attachment 2 Key Result Areas /Key Performance Indicators

11. NOTE

Statements included in this position description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all-inclusive.

Prior to accepting any offer of employment, prospective employees will be required to read and commit to the Eastern Health Code of Conduct, including (but not limited to) issues of Occupational Health and Safety, Equal Opportunity and Confidentiality.

Vaccination against infectious disease is a mandatory requirement of this role. An offer of employment is conditional on you providing evidence that you are currently vaccinated against COVID-19, prior to commencing employment.
