Service provided will be individualised to support recovery and will include case management, individual and group work, assessment and intervention, discharge planning, education for consumers and their support networks, and liaison with other services and programs as needed. The grade 2 occupational therapist will work within the multidisciplinary team, ensuring delivery of specialist occupational therapy input, and will provide supervision and mentoring to the novice OT workforce.

## **2. MAJOR DUTIES AND/OR RESPONSIBILITIES**

- Provide high quality evidence-based occupational therapy and mental health assessment and intervention for people experiencing mental health challenges.
- Skilfully engage consumers and carers in the development and implementation of individualised plans designed to promote, foster and sustain personal recovery.
- Provide effective evidence-based interventions for consumers with mental health and co-occurring substance use conditions (dual diagnosis).
- Provide assessment reports and liaise with NDIS to ensure NDIS plans are implemented appropriately and NDIS supports maximise recovery.
- Actively participate in the multi-disciplinary group program including development of program content tailored to individual skill level and occupational needs and evaluate the effectiveness.
- Provide sensory modulation assessment and interventions to assist in managing arousal, distress, behavioural disturbance and enabling participation in meaningful occupations.
- Contribute occupational therapy expertise to the CCU team clinical reviews, meetings, handovers and case conferences, taking a lead role as required.
- Undertake case management of consumers with a wide range of complex recovery needs, utilising the Collaborative Rehabilitation Model to assist consumers in the development of their personal, domestic and community daily living skills.
- Provide occupational therapy consultation and support to other services, teams and agencies as required to promote appropriate service delivery and patient care.
- Engage with and support community services and resources to facilitate effective community integration and referral.
- Actively participate in supervised and reflective practice, lifelong learning and further development.
- Provide clinical leadership, training and supervision to the novice OT workforce and to OT students.

## **3. SAFE PRACTICE AND ENVIRONMENT**

Eastern Health is a child safe organisation, committed to promoting the wellbeing and cultural safety of Aboriginal children, children with disabilities and all children in their diversity. More information [here](#).

### **Occupational Health and Safety**

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, particularly those related to Occupational Violence, Manual Handling

and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensation (WIRC) Act 2013.

#### **4. TRAINING AND DEVELOPMENT**

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem-solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

#### **5. QUALITY**

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high-quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centered care.

#### **6. CONFIDENTIALITY**

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

#### **7. EQUAL EMPLOYMENT OPPORTUNITY**

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour, and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

##### **Our commitment to Diversity, Equity & Inclusion**

Eastern Health is committed to creating a diverse and inclusive environment that welcomes and values all people. We recognise that diversity is essential in ensuring Eastern Health provides the best service to its consumers.

Aboriginal and/or Torres Strait Islander peoples, people from the LGBTIQ+ community, people living with disability and those from a culturally and linguistically diverse background, are strongly encouraged to apply.

#### **8. PERFORMANCE DEVELOPMENT**

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually based on the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

## 9. EASTERN HEALTH'S PROMISE

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.
