### EASTERN HEALTH – HEALTHIER TOGETHER

Eastern Health is one of Melbourne’s largest metropolitan public health services. We provide a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs. *‘Being part of Eastern Health is being part of a welcoming team of healthcare experts’* is achieved through Eastern Health’s strategic goal of HEALTHIER TOGETHER.

## 1. POSITION PURPOSE

The Sustainability & Compliance Manager drives environmental sustainability initiatives and ensures compliance with regulatory standards across all facilities. This role focuses on reducing the organisation's environmental footprint while maintaining adherence to national and state regulations related to healthcare infrastructure.

## 2. MAJOR DUTIES AND/OR RESPONSIBILITIES

- Develop and implement strategies to achieve the organisation's sustainability targets, including energy efficiency, waste reduction, and carbon neutrality.
- Monitor and report on sustainability metrics, identifying opportunities for improvement.
- Ensure compliance with environmental and building regulations, including regular audits and inspections.
- Provide expert advice on sustainability and compliance during planning and execution of capital works.
- Collaborate with site-based teams to integrate sustainability into daily operations.
- Liaise with government agencies, industry bodies, and contractors to stay informed about regulatory changes and best practices.
- Lead training and awareness programs to foster a culture of sustainability and compliance.

## 3. SAFE PRACTICE AND ENVIRONMENT

Eastern Health is a child safe organisation, committed to promoting the wellbeing and cultural safety of Aboriginal children, children with disabilities and all children in their diversity. More information [here](#).

### Occupational Health and Safety

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, in particular those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensations (WIRC) Act 2013.

## 4. TRAINING AND DEVELOPMENT

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

## 5. QUALITY

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centered care.

## **6. CONFIDENTIALITY**

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

## **7. EQUAL EMPLOYMENT OPPORTUNITY**

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour, and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

### **Our commitment to Diversity, Equity & Inclusion**

Eastern Health is committed to creating a diverse and inclusive environment that welcomes and values all people. We recognise that diversity is essential in ensuring Eastern Health provides the best service to its consumers.

Aboriginal and/or Torres Strait Islander peoples, people from the LGBTIQ+ community, people living with disability and those from a culturally and linguistically diverse background, are strongly encouraged to apply.

## **8. PERFORMANCE DEVELOPMENT**

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

## **9. EASTERN HEALTH'S PROMISE**

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.
