## 1. POSITION PURPOSE

This limited part-time role provides essential project and administrative support to the Service Development team. The successful candidate will work closely with the Associate Director Service Development to:

- Coordinate and deliver key administrative tasks, including preparing internal and external reports for funding bodies. Work closely with ECADS partners in ensuring data collections is accurate, rectify errors and reports submission to VADC.
- Monitor and support ongoing projects, including the review and update of policies and operational procedures.
- Deliver additional project administration support as required.

## 2. MAJOR DUTIES AND/OR RESPONSIBILITIES

### Key Responsibilities:

#### 1. Data Management & Reporting:

- Manage the end-to-end process for the Department of Health's Victorian Alcohol & Drug Collection (VADC) reporting.
- Ensure accurate and timely submission of reports, addressing errors and warnings in collaboration with service managers, data entry personnel, and the VADC Data Team.
- Liaise with the client management system vendor (currently InfoXchange) to resolve data-related challenges.

#### 2. Quality Improvement:

- Analyse and compare service activity reports to identify areas for data quality improvement.
- Develop and deliver bulletins and information sessions to staff, promoting best practices in data entry and management.

#### 3. Collaboration & Communication:

- Work respectfully with funders, vendors, ECADS partners and internal teams to enhance data quality.
- Escalate issues and successes to the Line Manager for further communication, oversight, and advocacy.

#### 4. Capacity Building:

- Document and refine VADC processes to ensure continuity and reduce dependency on single individuals.
- Provide training and guidance to staff to build internal capacity for efficient data management.

## 3. SAFE PRACTICE AND ENVIRONMENT

### Occupational Health and Safety

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and

accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, particularly those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensation (WIRC) Act 2013.

#### **4. TRAINING AND DEVELOPMENT**

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem-solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

#### **5. QUALITY**

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high-quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centred care.

#### **6. CONFIDENTIALITY**

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

#### **7. EQUAL EMPLOYMENT OPPORTUNITY**

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

#### **8. PERFORMANCE DEVELOPMENT**

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The

incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

## 9. EASTERN HEALTH'S PROMISE

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.
