<b>Position Title:</b>	<b>Neonatal Paediatric Physiotherapist</b>
<b>Award Classification:</b>	<b>Physiotherapist Grade 3</b>
<b>Award / Agreement Name:</b>	<b>Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2021-2026</b>
<b>Position Reports to:</b>	<b>Operational: Designated Allied Health Manager (program) Professional: Designated Grade 4 Physiotherapist &gt; Director of Physiotherapy</b>

### EASTERN HEALTH – GREAT CARE, EVERYWHERE, EVERY TIME

Eastern Health is one of Melbourne’s largest metropolitan public health services. We provide a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs

## 1. POSITION PURPOSE

The Grade 3 Neonatal Paediatric Physiotherapist is a role model for others, demonstrating superior consolidated specialty skills. They are expected to lead and develop individuals and teams, and to have currency of professional knowledge, skills, and external influences, in paediatric physiotherapy practice.

The Grade 3 Neonatal Paediatric Physiotherapist requires clinical practice and collaborative service development in both neonatal and paediatric physiotherapy areas:

- a. Neonatal: Neurodevelopmental assessment, management, and care for pre-term infants, to align with best practice guidelines in both the inpatient (Special Care Nursery SCN), and outpatient settings
- b. Paediatric: Short-term musculoskeletal and general paediatric physiotherapy presentations for 0-18yo in the outpatient setting

The Grade 3 Neonatal Paediatric Physiotherapist must possess the skills to work autonomously, and as part of a paediatric physiotherapy team.

## 2. MAJOR DUTIES AND/OR RESPONSIBILITIES

- Acts as a role model for staff within the Eastern Health Allied Health team including the discipline specific Professional Leadership Groups.
- Liaises with physiotherapy seniors across sites and programs to ensure consistency and continuity of services.
- Develops strong links with the key stakeholders to ensure streamlined service delivery.
- Is a member of, or has involvement with, Eastern Health Allied Health/ discipline specific Professional Leadership Groups and participates in projects on behalf of these?

## **3. SAFE PRACTICE AND ENVIRONMENT**

### **Occupational Health and Safety**

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, in particular those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensations (WIRC) Act 2013.

#### **4. TRAINING AND DEVELOPMENT**

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

#### **5. QUALITY**

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centered care.

#### **6. CONFIDENTIALITY**

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

#### **7. EQUAL EMPLOYMENT OPPORTUNITY**

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

#### **8. PERFORMANCE DEVELOPMENT**

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

### EASTERN HEALTH/DEPARTMENT/SPECIALTY INFORMATION & ADDITIONAL POSITION REQUIREMENTS

<b>Position Title:</b>	<b>Neonatal Paediatric Physiotherapist</b>
<b>Award Classification:</b>	<b>Physiotherapist Grade 3</b>
<b>Award / Agreement Name:</b>	<b>Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2021-2026</b>
<b>Position Reports to:</b>	<b>Operational: Designated Allied Health Manager (program) Professional: Designated Grade 4 Physiotherapist &gt; Director of Physiotherapy</b>

### SPECIALTY SPECIFIC INFORMATION

#### Organisational Context

Eastern Health provides a broad range of acute, sub-acute, aged and mental health services to approximately 800,000 people in the eastern suburbs of Melbourne. Eastern Health has approximately 6,500 staff and covers a geographical area of 2800 sq kms. Eastern Health is affiliated as a teaching health service with Deakin, Latrobe and Monash Universities.

Eastern Health provides health care in the areas of acute care, aged care, rehabilitation within the inpatient and ambulatory care setting, community health and mental health from campuses including:

- Angliss Hospital
- Box Hill Hospital
- Healesville Hospital
- Maroondah Hospital
- Peter James Centre
- Wantirna Health
- Yarra Ranges Health – Lilydale
- Yarra Valley Community Health Service

Although this position may be initially aligned with a single campus within Eastern Health – there could be an expectation to work at any campus or combination of campuses located within the Eastern Health service.
