Position Reports to:	Clinical Manager: Spectrum Professionally reports to discipline senior: OT, Psychology, SW (as appropriate); Psychology Clinical Lead, Adult and Older Adult, MHWP & Statewide Services, Program Senior MHP & SWS or DON SWS.

EASTERN HEALTH – GREAT CARE, EVERYWHERE, EVERY TIME

Eastern Health is one of Melbourne’s largest metropolitan public health services. We provide a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs.

SPECTRUM

Spectrum specialises in personality disorder and complex trauma. Spectrum is a centre of clinical excellence for personality disorder and the statewide specialist personality disorder service for Victoria, funded by the Department of Health and provided by Eastern Health.

Spectrum provides direct clinical care for people with complex and or severe personality disorder, secondary consultations and second opinions for clinicians working with people experiencing complex trauma or personality disorders and workforce development opportunities. Underpinning these areas are Spectrum's research, innovation and evaluation activities. Spectrum provides leadership and advocacy for appropriate access to evidence based healthcare and other supports for individuals and their carers living with personality disorder across Australia.

www.spectrumbpd.com.au

1. POSITION PURPOSE

The Spectrum Senior Clinician Trainer is responsible for delivering a range of services in accordance with Spectrum's strategic directions. The priority for this position will be delivering high quality training and capability building projects in alignment with evidence-based approaches for people with personality disorder and /or complex trauma. The incumbent also needs to be able to provide specialised treatment to people with personality disorder, and consultation to services working with people with personality disorder.

As part of Eastern Health, Spectrum is the statewide centre of clinical excellence that provides leadership in the application of evidence-based best practice for treatment and recovery from personality disorder, research and training.

This role is based in Richmond.

2. MAJOR DUTIES AND/OR RESPONSIBILITIES

Ensure the safe delivery of:

- State of the art workforce development activities including tertiary level training, education and post-training support, secondary/tertiary consultation and clinical supervision programs across Victoria and in other jurisdictions when required.
- Expert clinical supervision to external stakeholders as part of capability building projects, within peer settings, as well as to designated supervisees within Spectrum and Eastern Health's Statewide Services program.
- High level contribution to the development of new and ongoing quality improvement of Spectrum's training, research and evaluation programs.
- High level contribution to the intellectual capital of both Spectrum and Eastern Health's Statewide Service program, through active involvement in professional development seminars and other similar forums.
- Effective empirically supported individual and group psychotherapy for personality disorder and, within this role, provision of interagency liaison that may be required to ensure best possible systemic care is maintained.
- Expert secondary consultation to others providing care in relation to people with complex and/or severe personality disorder.
- Expert intake, triage, telephone and online supports to professionals, carers and consumers along with the establishment and continuous review/ improvement of multimedia resources that support such inquiry.
- On request of the Spectrum Leadership team, contributions to both research and evaluation of specialist clinical programs, particularly in relation to empirical psychotherapy practice.
- Adhere to and comply with relevant legislation i.e. Mental Health Act.
- Maintain appropriate records and statistics related to service delivery.
- Actively participate in matters and activities relating to occupational health and safety including compliance with relevant legislation, regulations and codes of practice.
- Engage in professional development activities in order to keep up to date with advances in the field.
- Attendance at all EH MHP compulsory education and training sessions.
- Participate annually in professional development activities, including attendance at workshops and seminars relevant to the position and duties.

Teamwork

To work within a co-operative and supportive team environment:

- Able to work cooperatively with other team members and across sites as required
- Demonstrate flexibility with regard to hours of work and cover for periods of leave including sick leave, annual leave and ADO's, as directed by the Clinical Manager and/or leadership team.
- Promote the sharing of information and develop strong working relationships across the sector.

3. LOCAL WORK ENVIRONMENT

Spectrum is a centre of clinical excellence for personality disorder. Its mission is to apply best available evidence to improve treatment and recovery for those with borderline personality disorder.

Spectrum's work can range from contributing to research, capacity building in the workforce (statewide and nationally), to providing a full clinical service of empirically supported treatment interventions including: specialist assessment and individual and group psychotherapy, biomedical treatments and secondary consultation (including telephone and online). The clinical work is organised across a variety of work domains and staff, who although allocated to a particular area, are expected to work across all these areas as service demand requires.

The clinical work is supported by senior specialists in Workforce Development and Research/Evaluation. Additional specialist psychiatry cover is provided by a psychiatrist and up to two full time psychiatric registrars.

Clinical leadership of treatment service delivery is provided by the Clinical Manager and the Consultant Psychiatrist. Final authority for all clinical matters rests with Executive Clinical Director, Spectrum.

Operational leadership is provided by the Associate Program Director. Final authority for all operational matters rests with the Program Director, Statewide Services.

Various work domains of Spectrum are listed as below:

1. **A complex needs care team** that is agile and resourced to provide tertiary level direct patient services for patients determined as complex and/or suffering severe personality disorders. This includes secondary consultations for clinicians and others treating patients accepted for Spectrum treatment from this team). The team provides treatment and consultation to people supported by specialist AMHS or forensic-corrections services.
2. **Spectrum Foundations team** that offers a foundational model of treatment based on Good Psychiatric Management (GPM) to everyone that is coming to Spectrum from the Assessment Clinic. This model involves multidisciplinary clinicians as well as lived experience workers (consumer and carer perspectives).
3. **Outpatient Treatment Clinics** operating from Richmond provides empirically supported individual and group psychotherapy treatments (Dialectical Behaviour Therapy and Mentalization Based Treatment) for people with personality disorder and where indicated, carers and family, referred from the primary, private and public sectors.
4. **Intake service** that receives calls from referrers and the general community. The intake service will process referrals for appropriate assessment and follow up. It will collate, update and distribute information suitable for consumers, their families and carers as well as deliver an expert telephone based secondary consultation for primary health clinicians (GP's, private psychiatrists and GP practice mental health clinicians) and clinicians from Victorian Area

mental health services (AMHS) who are treating people with BPD. Telephone services will link to various web based information supports developed and maintained by this team.

5. **A Workforce Development Team** for a range of clinicians in the primary and public sector, Mental Health Community Support workers, as well as carers. This service will also include development initiatives for participating AMHS's that may involve more intensive, integrated packages of training, secondary and tertiary consultation to the AMHS aimed to achieve agreed development objectives, for periods of up to 12 months.
6. **Research and Innovation Unit** evaluates Spectrum activities, develops treatments and models of care that are appropriate for Australian health care settings and undertakes broader research and publication activities.
7. **Spectrum Assessment Clinic** provides specialist assessments or psychiatric second opinions for patients referred to Spectrum by AMHS's and GP's.
8. **Personality Disorder Initiative** provides service-specific projects of training, consultation, support and mentoring to Personality Disorder Specialists as part of a collaborative initiative to increase the workforce capacity to work effectively with people with personality disorder.
9. **Lived Experience Team** that provides direct individual and group based peer support, involvement of peer to peer contact in the intake team and other clinical teams for both consumers and their family members from consumer and carer perspectives. They also contribute to development of training, policy and processes and co-deliver training as per the teams capacity.

The Spectrum Senior Clinician Trainer may be required to work across a number of Spectrum's service domains (above). Within these, the clinicians' primary areas of work are negotiated on appointment and reviewed yearly as part of the annual performance review and work plan. Due to dynamic factors there will be times when the appointee may be required by the Clinical Manager to provide temporary cover to essential activities outside their usual work domains.

4. SAFE PRACTICE AND ENVIRONMENT

Occupational Health and Safety

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, particularly those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensations (WIRC) Act 2013.

5. TRAINING AND DEVELOPMENT

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem-solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

The core activities of Spectrum include provision of clinical work and workforce development and capacity building across the state of Victoria. Spectrum employees are expected to participate in workforce capacity building activities including training and secondary consultation work.

6. QUALITY

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centred care.

6. CONFIDENTIALITY

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

7. EQUAL EMPLOYMENT OPPORTUNITY

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

8. PERFORMANCE DEVELOPMENT

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the

assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

9. ATTACHMENTS

- Attachment 1 Key Selection Criteria

10. NOTE

Statements included in this position description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all-inclusive.

Prior to accepting any offer of employment, prospective employees will be required to read and commit to the Eastern Health Code of Conduct, including (but not limited to) issues of Occupational Health and Safety, Equal Opportunity and Confidentiality.

Vaccination against infectious disease is a mandatory requirement of this role. An offer of employment is conditional on you providing evidence that you are currently vaccinated against COVID-19, prior to commencing employment.
