EASTERN HEALTH – HEALTHIER TOGETHER

Eastern Health is one of Melbourne’s largest metropolitan public health services. We provide a comprehensive range of high-quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs. *‘Being part of Eastern Health is being part of a welcoming team of healthcare experts’* is achieved through Eastern Health’s strategic goal of HEALTHIER TOGETHER.

1. POSITION PURPOSE

The incumbent is responsible for maintaining mechanical services, Building infrastructure and non-medical equipment. Obtaining quotes for mechanical repairs and where appropriate supervising of contractors. The position is part of a team that maintains all hospital buildings and non-medical equipment. The incumbent will be required to participate in an on-call roster to provide the hospital with 24-hour 7 days Engineering Support. The incumbent will be trained in the Hospitals Buildings operation.

2. MAJOR DUTIES AND/OR RESPONSIBILITIES

- Perform inspections, preventative and corrective maintenance on mechanical services and non-medical equipment.
- Perform routine inspection on plant items ensuring that they are fit for service including emergency electrical generators, medical gases, water treatment, boilers etc.
- Participate in quotes for goods and services, evaluate and recommend continued improvements, liaise and supervise contractors and other staff working on site as required.
- Operate the computerised BAS system.
- Servicing and maintenance of air handling units.
- Document work carried out in essentials services sign offs.
- Purchase materials as required via the IPROC.
- Carry out other appropriate duties as requested by the Engineering Supervisor.
- Participate in all disciplines of the Hospitals maintenance teams work duties.
- Provide input into plant and equipment inspections and the Hospitals preventative maintenance program.
- Participate in the Engineering on-call roster.
- Check nominated essential services as required.
- Carry out duties at other Eastern Health sites as required
- Arrange plant shutdowns and isolation of services as required.
- Work within Infection Control guidelines relating to Engineering as required.

3. SAFE PRACTICE AND ENVIRONMENT

Eastern Health is a child safe organisation, committed to promoting the wellbeing and cultural safety of Aboriginal children, children with disabilities and all children in their diversity. More information [here](#).

Occupational Health and Safety

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, particularly those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensations (WIRC) Act 2013.

4. TRAINING AND DEVELOPMENT

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem-solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

5. QUALITY

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high-quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centred care.

6. CONFIDENTIALITY

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

7. EQUAL EMPLOYMENT OPPORTUNITY

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour, and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

Our commitment to Diversity, Equity & Inclusion

Eastern Health is committed to creating a diverse and inclusive environment that welcomes and values all people. We recognise that diversity is essential in ensuring Eastern Health provides the best service to its consumers.

Aboriginal and/or Torres Strait Islander peoples, people from the LGBTIQ+ community, people living with disability and those from a culturally and linguistically diverse background, are strongly encouraged to apply.

For more information, please [click here](#).

8. PERFORMANCE DEVELOPMENT

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually based on the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

9. EASTERN HEALTH'S PROMISE

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.

- Attachment 1 Key Selection Criteria

11. NOTE

Statements included in this position description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all-inclusive.

Prior to accepting any offer of employment, prospective employees will be required to read and commit to the Eastern Health Code of Conduct, including (but not limited to) issues of Occupational Health and Safety, Equal Opportunity and Confidentiality.

Healthcare workers are strongly recommended to follow COVID vaccination recommendations provided in the [Australian Immunisation handbook \(based on ATAGI advice\)](#). Seasonal vaccination against influenza is a mandatory requirement of this role and employment is conditional on this being up to date prior to employment.
