

Eastern Health

POSITION DESCRIPTION

Position Title:	Pharmacist – Mental Health
Award Classification:	Pharmacist Grade 1 or 2
Award / Agreement Name:	Medical Scientists, Pharmacists and Psychologists Victorian Public Sector (Single Interest Employers) Enterprise Agreement 2021-2025
Position Reports to:	Senior Pharmacist Mental Health

EASTERN HEALTH – HEALTHIER TOGETHER

Eastern Health is one of Melbourne's largest metropolitan public health services. We provide a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs.

1. POSITION PURPOSE

This position has the responsibility of providing comprehensive pharmacy services within Eastern Health Mental Health services. As part of this role, the Grade 1 or 2 mental health clinical pharmacist will work in partnership with consumers, families, carers, supporters and other service providers to provide high quality clinical pharmacy and mental health treatment, care and support. The role may involve travel and working across multiple Eastern Health sites, as well as participating in rotational clinical pharmacy services.

2. MAJOR DUTIES AND/OR RESPONSIBILITIES

The position holder will be working under the directions and reporting directly to Senior Mental Health Pharmacist. The following list of activities are to be read as a guide to position responsibilities. This list is not intended to be exhaustive:

- Support and contribute to the activities of the pharmacy team as delegated by the EH Senior Mental Health Pharmacist
- Provide support for the pharmacy team including provision of advice and medicines information
- Provide a patient focused clinical pharmacy service to patients in Mental Health
- Participate in rotational clinical ward services when needed
- Provide dispensing services when needed and assist with medicine distribution
- Participate in nursing, medical and consumer pharmacy education programs
- Participate in research, QUM or Medicines Evaluation projects
- Collaborate with Senior Education and Training pharmacist to assist in organisation, development and delivery of structured education programs (i.e. pharmacy students, interns, residents)
- Participate in activities deemed appropriate by the Program Director, Pharmacy or Associate Program Director, Pharmacy Conduct ClinCAT assessments and other competency based assessments, when credentialed
- Act as point of contact for other pharmacists and health professionals, and for the hospital or health service, for Mental Health medicines information enquiries
- Attendance and provision of pharmacy input at multidisciplinary team meetings
- Attendance and provision of pharmacy input to relevant committees or meetings
- Collaborate with the QUM team to provide advice and implement strategies to improve the cost effective and quality use of medicines within Mental Health Medicines and clinical services program
- Assist in reviewing and updating mental health medication related guidelines for EH as delegated
- Participate in weekend, public holiday and on-call roster (when credentialed)
- Able to work across all EH sites and rotate to other Eastern Health sites as per program requirements
- May require involvement in extended roles for clinical pharmacists, such as Partnered Pharmacist Medication Charting
- Responsible for leading and maintaining specialist knowledge in providing clinical pharmacy services to patients of the hospital
- Develop and take leadership in project, research (in consultation with EH Pharmacy Practice Research Group) and quality improvement activities in relevant portfolio area
- Submit presentation and/or publication of service improvement projects at relevant professional forums in relevant portfolio area
- Work in conjunction with APDs to develop and progress relevant Innovation and Improvement Plans (IIPs) in line with the Pharmacy program and EH Strategic Plans
- Facilitate mental health services pharmacy professional development activities which may include case presentations, journal club presentations, case-based discussions, mini clinical evaluation exercises, direct observations of practice, ClinCAT evaluations, 360/peer reviews, intern tutorials

3. SAFE PRACTICE AND ENVIRONMENT

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health.

All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, in particular those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensation (WIRC) Act 2013.

4. TRAINING AND DEVELOPMENT

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

5. QUALITY

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centred care.

6. CONFIDENTIALITY

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

7. EQUAL EMPLOYMENT OPPORTUNITY

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

8. PERFORMANCE DEVELOPMENT

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager,

who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

9. EASTERN HEALTH'S PROMISE

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.

10. ATTACHMENTS

- Attachment 1 Key Selection Criteria

11. NOTE

Statements included in this position description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all-inclusive.

Prior to accepting any offer of employment, prospective employees will be required to read and commit to the Eastern Health Code of Conduct, including (but not limited to) issues of Occupational Health and Safety, Equal Opportunity and Confidentiality.

Vaccination against infectious disease is a mandatory requirement of this role. An offer of employment is conditional on you providing evidence that you are currently vaccinated against COVID-19, prior to commencing employment.
